~~(14)~~ (11) Refer to Section 225.20 for residential connection for water, sewer, and storm water.

A. Sewer Service Charge.

The Sanitary Sewer Service Charge is based on the quantity of potable water used, as measured by the Village of Allouez Water Dept. The sewer service charge shall be as published by the Village of Allouez Water Utility and may be obtained by contacting the Village Water Utility.

~~(1) Residential Users:~~

~~$0.427 per 100 gallons of water metered or sewage discharged.~~

~~(2) Commercial and Public Users:~~

~~$0.427 per 100 gallons of water metered or sewage discharged.~~

~~(3) Industrial Users:~~

~~(a) $0.427 per 100 gallons of water metered or sewage discharged.~~

All users having volumes in excess of 3,000,000 cubic feet per year, concentrations in excess of 200 parts per million of BOD or suspended solids, concentrations in excess of 10 parts per million of phosphorus or concentrations in excess of 27 parts per million of TKN, in the sewage discharges; shall have metering and sampling as required by the Village and the Green Bay Metropolitan Sewerage District. Users shall be billed for excess over normal concentrations at the same rate as charged y the Green Bay Metropolitan Sewage District plus the Village sewage charges.

C. Industrial Waste Metering Device Fees.

Any user of an industrial waste metering device as authorized by Section ~~390.35E(4)~~ 350.42E(4) shall pay the following fee, as determined by the user's water meter size:

Meter Size	Monthly Fee	Quarterly Fee
5/8 or 3/4 inch	$10.00	$30.00
1 inch	$18.00	$34.00
1 1/2 inch	$30.00	$90.00
2 inches	$46.00	$138.00

225.11 UTILITY PERMITS

C. Street Crossing by Open Cut Excavation – Major Utility Permit

A Major Utility Permit is required for all private utility construction of one Village block or greater, and for all services to commercial properties. The Major Utility Project permit fee to open cut excavate a street or sidewalk, or excavate and fill sections of street right-of-way, public right-of-way and public utility easements in order to install a utility lateral or utility service including electrical, video, telecommunications or other service shall be ~~$1,050.00~~ $750.00 per open cut excavation. This fee includes permit issuance and one site inspection of the completed work. Any additional inspection or other engineering and inspection services provided by the Village shall be invoiced to the permittee as incurred. Potholing in conjunction with a project is included in the permit fee.

E. Electrical, Gas and Video/Telecommunication Service – Minor Utility Permit

The permit fee to provide or install electrical service, natural gas, video and telecommunication service to a residential single and two family property shall be ~~$25.00.~~ $150.00. This is considered a minor permit.

225.12 SOLID WASTE AND RECYCLABLES.

B. Charge for Bulk Waste During a Non-Collection Week.

The minimum pick-up charge during a non-collection week is $200.00. ~~If the amount of bulk exceeds two (2) cubic yards, there will be a $25.00 charge for each additional yard.~~ If the amount exceeds the volume of the Village haul truck, there will be a $200.00 charge for each additional truck load.

Any unpaid charges will be placed on the real estate tax bill as a special charge.

225.15 CABLE TELEVISION.

A. Annual Franchise Payment: The grantee of a cable television franchise shall pay an annual franchise fee of five percent ~~(5%)~~ (4%) of the grantee's local annual gross revenues, or such sum as shall be established by the franchise agreement, whichever amount is greatest.

225.20 SEWER AND WATER LATERAL CONNECTION

Sanitary and storm sewer later and water service permits are obtained from the Public Works Dept. using the appropriate application form which is available on the Village website. The permit fees are as follows:

A. The lateral connection and inspection fee for a potable water service to a residential property is $100.00 and includes inspection of the service at the time of connection.
B. The lateral connection and inspection fee for a sanitary sewer service lateral to a residential property is $100.00 and includes inspection of the lateral at the time of connection.
C. The lateral connection and inspection fee for a storm lateral to a residential property is

$100.00 and includes inspection of the lateral at the time of connection.

D. All lateral connections for commercial and industrial properties must obtain a Major Utility Permit and pay minimum fee of $100.00 per lateral. Inspection and other services provided shall be added to this cost.

E. Permit Fee to Abandon Sewer and Water Connection: $100.00

~~E~~. F. All residential and commercial lateral installation requiring excavation in the street right-of-way shall require the owner provide complete restoration of the street, curb and gutter, sidewalk and lawn. Alternately, the property owner may contract with the Village to provide final restoration at its cost.
