Noise Variance Permit Application Request:

In July, 2025, I, Deputy J. Vogel, spoke with applicant Heather Dachelet via a telephone call about her Noise Variance Permit Application that she has completed with the Village of Allouez. Heather completed this form for a wedding reception she will be hosting for her son at her home address of 540 Dauphin St. Heather reports she is expecting approx. 80 people at this event. Heather's request is for amplified music speakers during the hours of 5:30pm to 10:00pm. Heather states they will have a DJ, who will set their stage inside of their detached garage. Heather plans for the attendee's dance area to be half inside of the garage and driveway area.

Heather verified her contact information in case someone would need to be contacted on this day if complaints are made. Heather explained she will be going door to door notifying her neighbors about the event. While viewing a google map of her address I explained to Heather she needed to contact her backyard neighbors on Allouez Ave as well. Heather stated she would be contacting them along with neighbors on the south and north sides of Dauphin St.

On August 9th, 2025, Heather left me a voice message that she had contacted all her neighbors about this event and that no one had concerns. Currently, I am recommending approval of this application. It should be noted Heather hosted her own wedding at this location in 2023, and that there were no complaints made to the Brown County Sheriff's Office for that event.

Respectfully,

Deputy Jason Vogel
Allouez Directed Enforcement Officer
Brown County Sheriff's Office
