Public Meeting – Brown County SS4A Traffic Safety Plan

Brown County is hosting the first of two public involvement meetings for its Safe Streets and Roads for All (SS4A) project from 4-6 p.m. Thursday, July 24 in the Oak Room of the De Pere Community Center.

The event will follow an open-house format. You can stop by anytime to ask questions, share feedback about roads in our local community and learn more about the county's efforts to develop a comprehensive Safety Action Plan.

A virtual meeting also will be held from 6–7 p.m. that evening for those unable to attend in person.

Background: Brown County, in partnership with local municipalities, was awarded a US DOT Safe Streets and Roads for All (SS4A) grant to complete a safety action plan intended to reach zero preventable deaths in the county. The plan will assess location-specific safety challenges and identify potential countermeasures and strategies to improve transportation safety throughout the county.

For more information, and to access the virtual meeting link and survey, please visit the project website: <https://www.browncountywi.gov/departments/highway/general-information/ss4a/>

Sean J. Gehin, P.E.
Director of Public Works

PUBLIC INFORMATION MEETING

SAFE STREETS AND ROADS FOR ALL

(Safety Action Plan)

Improve traffic safety for all roadway users in Brown County.

4:00-6:00 p.m. Thursday, July 24
De Pere Community Center - Oak Room
600 Grant St.
Virtual Option to follow from 6:00-7:00 p.m.

Don't forget to complete the SS4A community survey by August 12 at browncountywi.gov/departments/highway/general-information/ss4a/ or scan the QR code. Your input will help guide the County's SS4A Safety Action Plan and future safety improvements to roads in your local community.
