MEMORIAL BRICK PROGRAM

The Memorial Brick Program is available through the Village of Allouez Parks, Recreation, and Forestry Department for people to purchase an engraved brick for placement at the Green Isle Park Memorial Garden.

Often times people want to remember loved ones that have passed on. Giving a Memorial Brick is a great way for family and friends to visit and reflect on this important person in their life.

A favorite pet can also be remembered utilizing the Memorial Brick Program.

Others may wish to honor that special someone or event in their life, such as a child's birth, anniversary, mother, father, sibling, or any other special occasion.

The Memorial Garden is located in the northwest corner of Green Isle Park in the Village of Allouez.
