

ALLOUEZ *Wishbook*

A MESSAGE TO OUR COMMUNITY

Every great community starts with a shared vision: a wish for something more. The Allouez Wishbook is our way of turning those wishes into reality. Inside you'll find a collection of community enhancement projects, both big and small, that reflect the dreams and future of Allouez. The opportunities in this book reflect the collective vision of creating a more inclusive and enriching experience for those who live, work, and play here.

From trail enhancements and playground upgrades to new public art, community centers and important public safety additions, each project represents an opportunity to make Allouez an even more vibrant, welcoming, and connected place to live. Whether you choose to give, volunteer, or simply share the Wishbook with others, your support helps shape the future of our community.

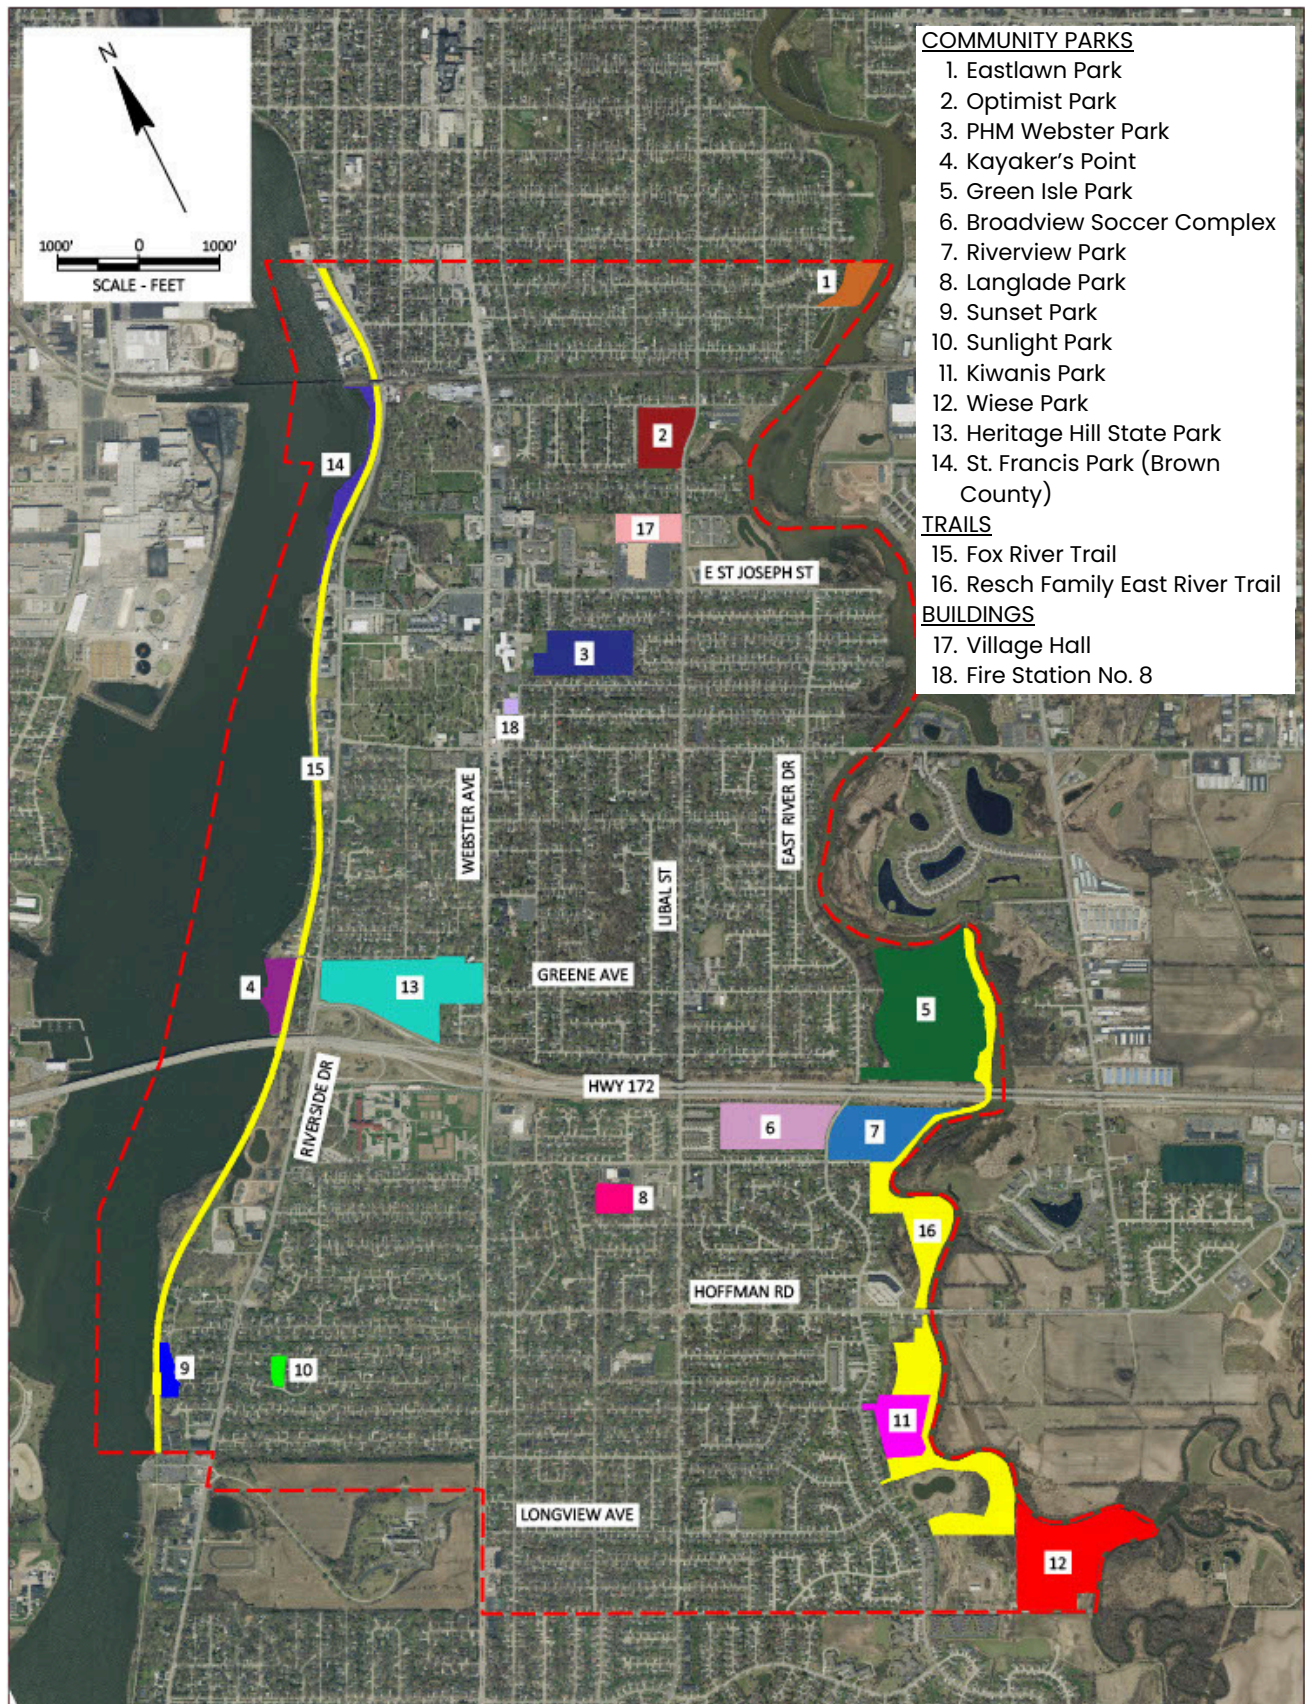

Together, we can make these wishes come true, one project at a time.

With gratitude,

Village of Allouez Board & Staff
