Reason for running:

I've enjoyed my tenure on the Board and would like to continue serving our residents as a vehicle of communication with local government. There is work to be completed and I'd love to continue to be a part of it.

My qualities listed below provide me with the tools, skills and knowledge to serve effectively and efficiently.

Unique Qualities that make you a top candidate:

- Excellent communication skills
- Team and consensus builder
- Approachable
- Responsive to resident issues and concerns
- Good sense of humor
- Experience with Village issues

3 top issues/concerns regarding the village and proposed resolution:

- **Infrastructure investment** – creatively addressing the challenges of improving our roads, effectively managing our relationship with NEW WATER and improving our storm and wastewater treatment systems.
- **Shared revenue** – increasing the Village’s portion of shared revenue with the State of Wisconsin to create property tax relief for our property owners and the overdependence on real estate taxes for local revenue
- **Transportation** – continuing our efforts to assess and improve our overall transportation system including our commitment to making Allouez bike and pedestrian friendly. The Fox River Trail, which recently celebrated it’s 25th anniversary, to be heavily used by Allouez residents and also draws visitors to our community. Our ongoing utilization of the Safe Routes to Schools Program helps us dramatically and efficiently address pedestrian safety issues. Our Capital Improvement Plan gives us a literal road map for future planning.
