

Libal Street Improvement Project

Lebrun Street to County XX (Hoffman Road)

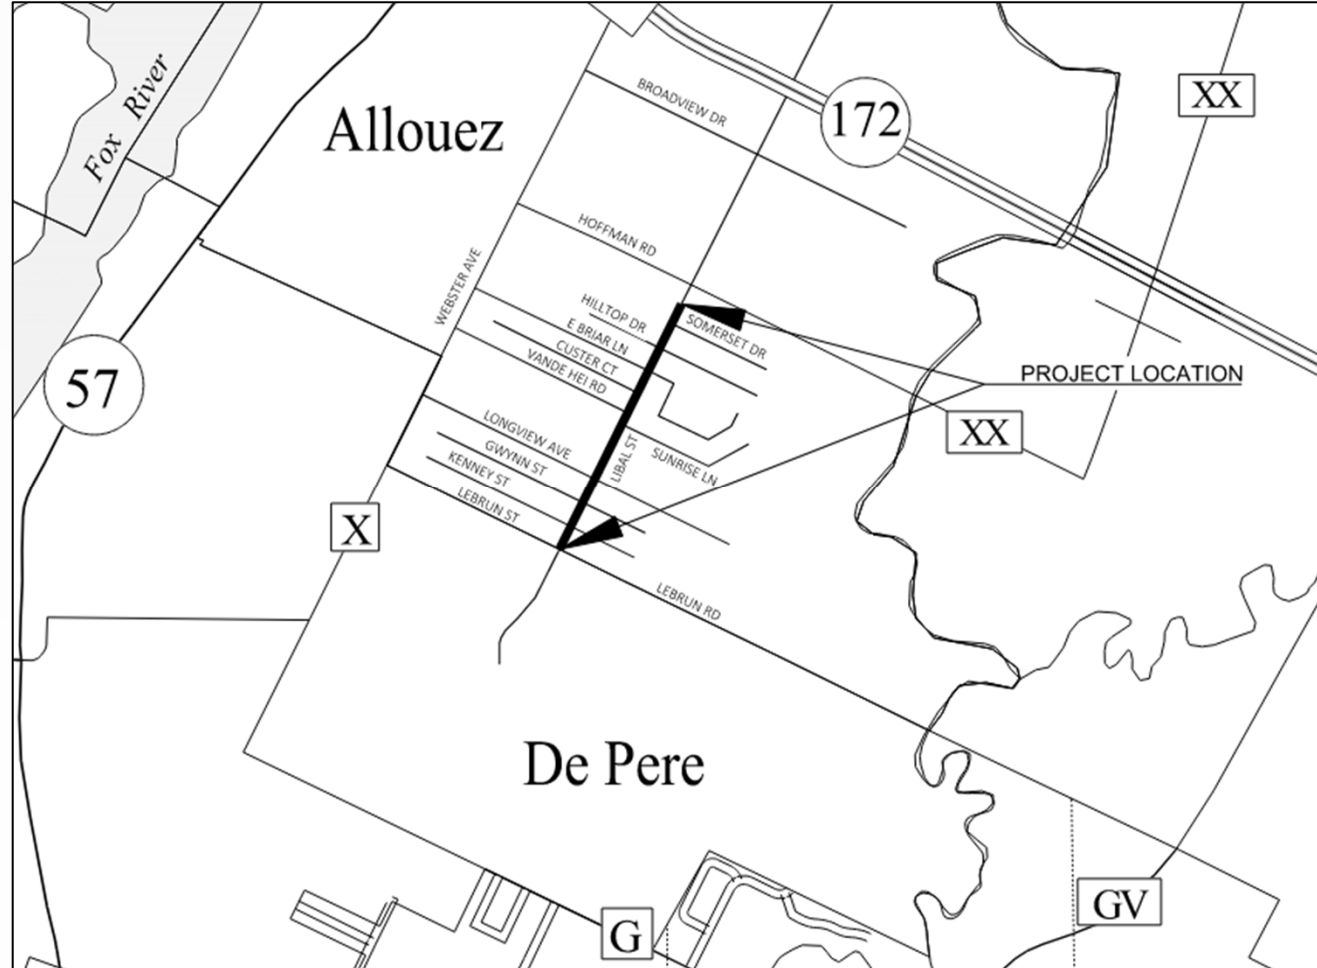

WisDOT ID 4517-07-00/70

Public Involvement Meeting

April 16, 2026

Project Limits

Project Purpose and Need

- Address the following deficiencies:
 - Deteriorating pavement condition
 - Pedestrian accessibility and discontinuity; lack of bicycle accommodations
 - Aging storm sewer condition

Potential Solutions

- Do nothing
- Resurface the street
- Reconstruct the street

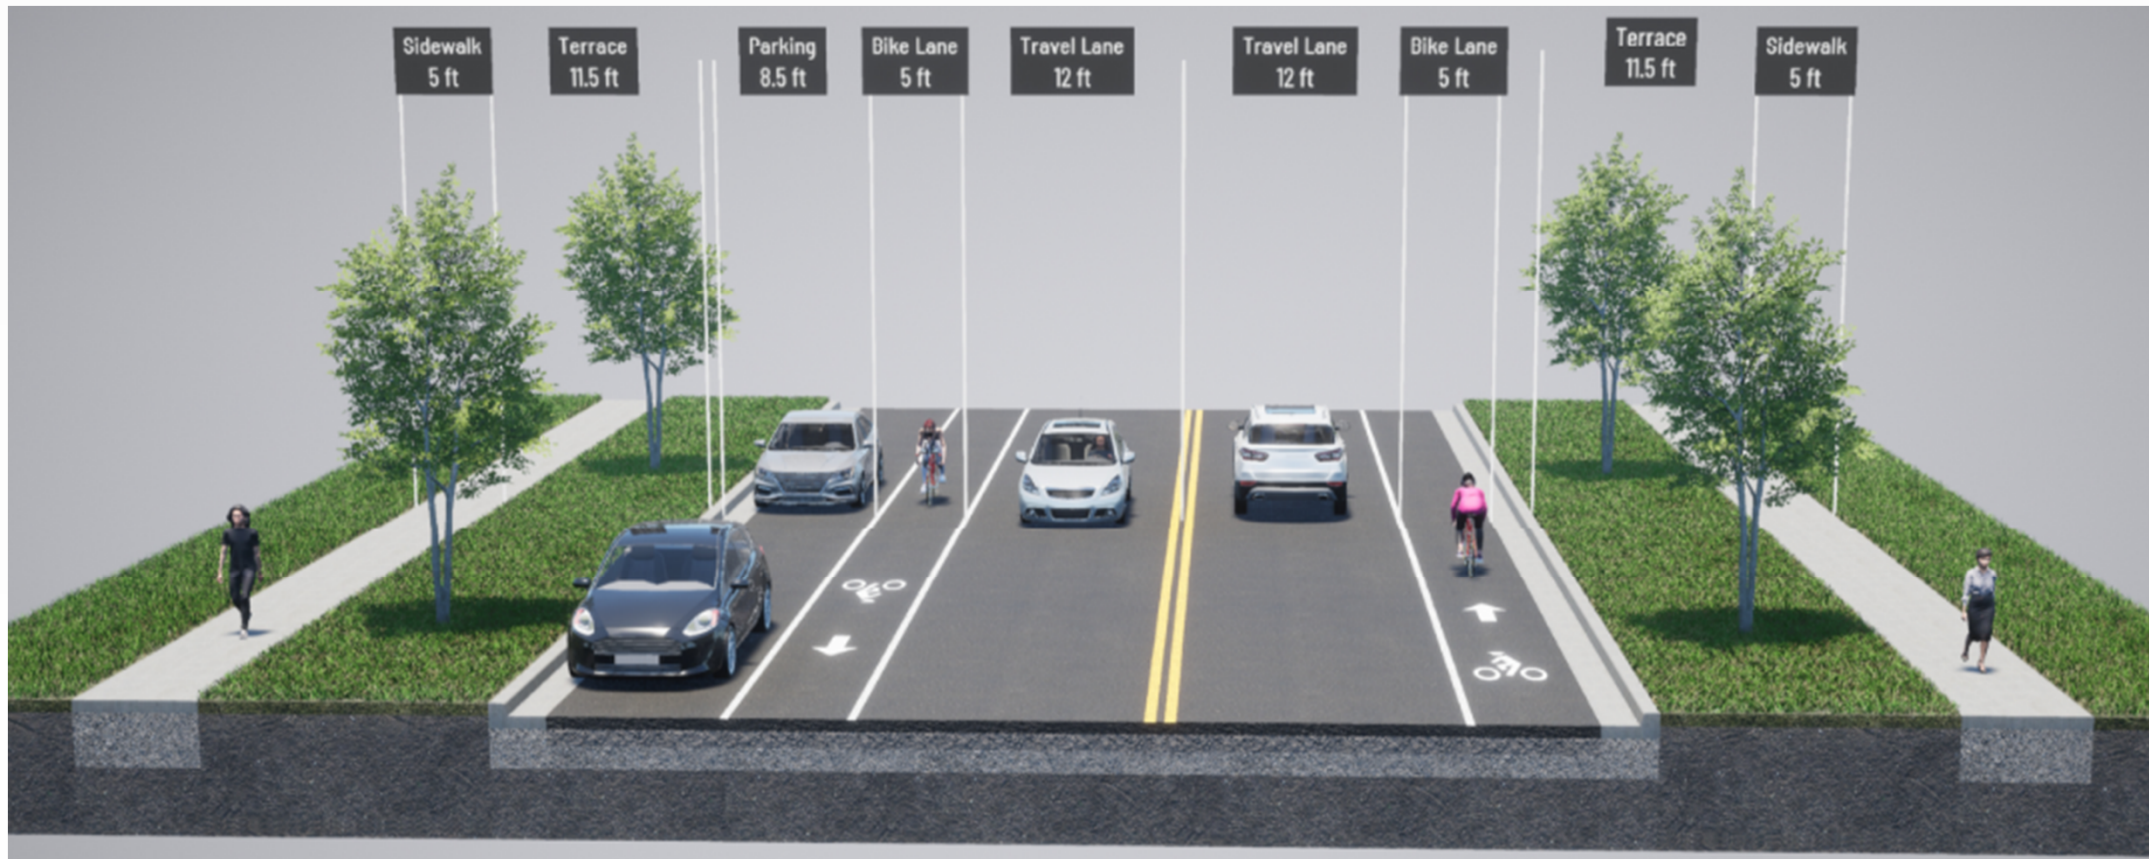

Proposed Improvement

- Resurface the street including:
 - Removing 2" of asphalt, paving 2" of new hot-mixed asphalt
 - On-street bike lanes on both sides, parking on one side
 - Spot repair to defective curb and gutter and sidewalk
 - New sidewalk on east side from Lebrun to Longview
 - Upgrade curb ramps for ADA compliance
 - Spot storm sewer upgrades

Proposed Typical Section
