Noise Variance Permit Application Request:

In March 2026, I, Deputy J. Vogel, spoke with applicant Alex Gabriel Portillo Calona via a telephone call about his Noise Variance Permit Application that he has completed with the Village of Allouez. Alex completed this form for a wedding reception he will be hosting at his home address of 526 Beaupre St. Alex reports he is expecting approx. 130 people at this event. Alex's request is for amplified music speakers during the hours of 3:30pm to 10:00pm. Alex states they will have a DJ set up in the backyard. Speakers will be pointed southeast toward the East River.

Alex verified his contact information in case someone needs to be contacted on this day if complaints are made. Alex explained he will be going door to door notifying his neighbors about the event. Alex stated he would be contacting neighbors along Beaupre St.

On May 13th, 2026, I again spoke with Alex via a telephone call. Alex had handed in a letter that he made contact with neighbors in the area. This letter will be attached to this report. Alex stated music will be turned off at approx. 9:30pm to avoid any conflicts. Currently, I am recommending approval of this application.

Respectfully,

Deputy Jason Vogel
