Noise Variance Permit Application Request:

On August 28, 2026, I, Deputy J. Vogel, spoke with applicant Alexis Teeter, via a telephone call, about her Noise Variance Permit Application that she has completed with the Village of Allouez. Alexis's request is for amplified music to be played for her wedding in Green Isle Park. Alexis stated the time of the music will be played from 3pm to 5pm by the gazebo area. Alexis reports she is expecting approx. 75 people at this event.

I spoke with Alexis about pointing the speakers east towards the river and not at the neighboring houses on East River Dr. Alexis agreed to this directive. Alexis verified her contact information. Alexis also provided a different contact person, her mother Ashley, 906-371-9072. If there is an issue the Brown County Sheriff's Office will first attempt to call Ashley. Alexis states she is the bride to be in this event, and I am assuming the last person she wants to be contacted by on her wedding day is a deputy from the sheriff's office.

Currently, I am recommending approval of this application.

Respectfully,

Deputy Jason Vogel
Allouez Directed Enforcement Officer
