Department of Public Works

August 27, 2026

2026 Water Department Pickup Truck Purchase

Due to engine troubles, the Water Dept. is in need of the replacement of the 2009 valve turning and message board pickup truck. Due to seasonal use of the valve turning equipment, the valve turning equipment is typically installed on a retired water department pickup truck. As a result of, next year's replacement of an operator's 2016 F-150 pickup truck is being proposed for purchase this summer.

In general, the Public Works Dept. equipment replacement plan speaks to the replacement of pickup trucks after 10-15 years of service. The operator truck being replaced is 10 years old. The retired truck will be repurposed as the valve turning/message board truck with the hope of serving in this secondary use for the next 5-yrs.

The staff has received government pricing from Ewald Automotive Group for the purchase of a 2027 Ford F-150 Pickup Truck with four-wheel drive. The regular cab pickup truck with 8' box will accommodate Water Dept. operator's needs. The truck will be equipped with a light bar and tool boxes.

In general, the truck will carry the following tools and equipment: locating devices, valve keys, valve wrenches, shovels, paints, hydrant tools, misc. repair parts and safety roadside equipment such as cones and barricades.

A summary of the truck cost is below. The dealership's formal quote with price and truck specifications is attached.

Ewald Automotive Group (Government Pricing)

2027 Ford F-150 4WD Ref Cab 8' Box

MSRP	\$49,679.50
Government Pricing	\$43,045.50
<u>Light Bar and Toolboxes</u>	<u>\$5,090.00</u>
Total Truck Cost	\$48,135.50

Staff Motion:

A recommendation to the Village Board to approve the purchase of the 2027 Ford F-150 Pickup truck and accessories in the amount of \$48,135.50 from Ewald Automotive Group.
