On **Saturday, October 24th, 2026**, the Wisconsin Department of Justice (DOJ), in conjunction with the Drug Enforcement Administration (DEA), will coordinate a **Prescription Drug Take Back Initiative** throughout the State of Wisconsin. The focus is on removing potentially dangerous pharmaceutical substances from our state's medicine cabinets and preventing them from going into our water supply.

This one-day effort will continue to bring focus to the issue of pharmaceutical controlled substance abuse. This is a great opportunity for law enforcement agencies to host a take-back event, and/or safely dispose of medications collected in prescription drug drop boxes. No businesses allowed. All waste pharmaceuticals must be generated by a household.

Bring: Prescription (controlled and non-controlled) and over-the-counter medications, ointments, patches, non-aerosol sprays, inhalers, creams, vials and pet medications.

Do Not Bring: Illegal drugs, needles/sharps, aerosol cans, bio-hazardous materials (anything containing a bodily fluid or blood), mercury thermometers, personal care products (shampoo, soaps, lotions, sunscreens, etc...), household hazardous waste (paint, pesticides, oil, gas).

- Participants may dispose of solid, non-liquid medication(s) by removing the medication from its container and disposing of it directly into a disposal box or into a clear sealable plastic bag. Plastic pill containers should not be collected. Blister packages are acceptable without the medications being removed.

- Liquids will be accepted during this initiative. However, the liquids, creams and sprays must be in their original packaging and evenly distributed within the boxes of collected solid prescription medications. *Liquids without the original packaging will not be accepted*.

When: Saturday, October 24th, 2026, from 7:30A.M.-1:30P.M.

Where: Allouez Village Hall, 1900 S. Libal St., Green Bay, WI 54301
